

## EC2023 Briefing on Route to Site

### Route Description:

The route to site maps will be issued on the evening of 27<sup>th</sup> September 2023. **Site gate opens 12:00 p.m. Thursday 28<sup>th</sup> September 2023.** Please read the following notes carefully as choosing the correct route may save you time.

The following routes to site exist:

1. **Main Route (via the Steep Hill)** takes approximately **2.0 hours** to reach the site from the junction of Chifwema Road with Leopards Hill Road. ONLY for GOOD 4x4 vehicles and drivers.
  - i. This route contains a shortcut via a very steep hill.
  - ii. Follow the attached directions but **KEEP STRAIGHT AT KM31.00. From KM31.00 SIGNS HAVE BEEN PUT UP BUT FOLLOW YOUR GPS TRACK ALSO**
  - iii. It is suited only to confident drivers of robust 4x4 vehicles with low range **and good for charge cars which may have problems negotiating roadblocks.**
  - iv. If you wish to use this route, follow the 'hill' tracks in the GPX file.
2. **Truck Route** takes approximately 3 hours to reach the site from the **South End Roundabout**.
  - i. This is the route suited to **Canter, 2x4 trucks, 2x4 vehicles with high ground clearance** and for people who prefer to drive most of the route along the tar road.
  - ii. This route is also suited to people arriving from south of Lusaka.
  - iii. The route starts at the Kafue **Gorge Power Station Dam Wall**. The dam wall is accessed from the Lusaka to Chirundu Road (T2) and can be navigated to using Google (or apple) Maps.
  - iv. At the dam wall, show the security guard the attached letter of permission and follow directions across the wall.
  - v. Up to the dam wall the route is entirely on tar road. From the Dam wall the route to site is 7km of gravel road. The route will be well signposted by 12:00 on 28/09/2023.

## Important Times for Planning

### Early arrivals

Charge cars, competitors, campers, support teams, campsite set up teams, marshals etc. may arrive on site any time from **12:00 p.m. on Thursday 28<sup>th</sup> September 2023** when the site gate opens. **Arrival before this time without prior arrangement will lead to a delay waiting to be allocated a camp site.**

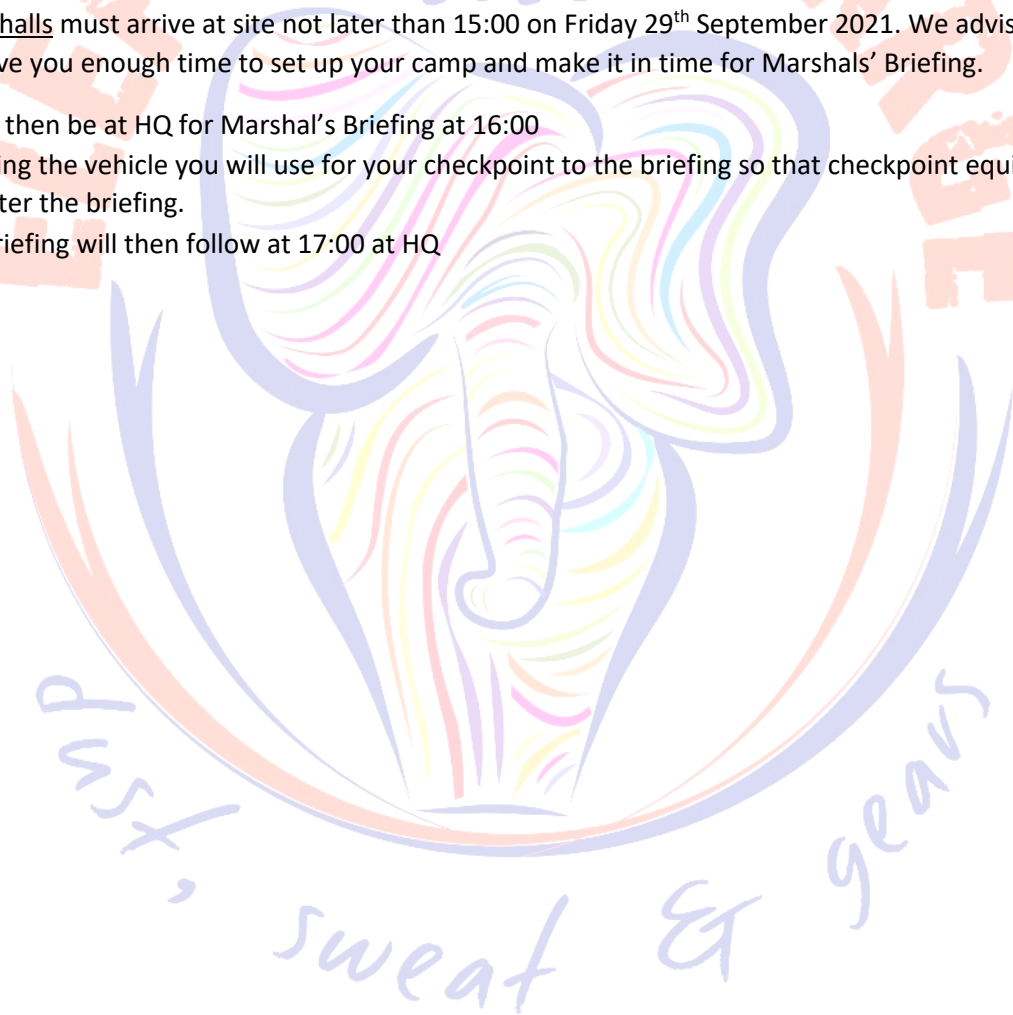

### Normal Arrival Times

Charge cars must arrive at site not later than 11:00 a.m. on Friday 29<sup>th</sup> September 2023.

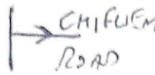

- Report to Scrutineering as soon as possible after arrival on site.
- Scrutineering closes at 15:30
- Late arrivals will be attended to late and very late arrivals may suffer a delay to their start time if the scrutineering / GPS team cannot attend to you on 29<sup>th</sup> September.

Check Point Marshalls must arrive at site not later than 15:00 on Friday 29<sup>th</sup> September 2021. We advise that you arrive on site early to give you enough time to set up your camp and make it in time for Marshals' Briefing.

- You must then be at HQ for Marshal's Briefing at 16:00
- Please bring the vehicle you will use for your checkpoint to the briefing so that checkpoint equipment can be loaded after the briefing.
- Drivers briefing will then follow at 17:00 at HQ
